

Relay Action Wizard

This tutorial provides you the information needed to setup a relay action via the notification wizards.

To get to the starting point of this tutorial:

- Log in as administrator
- Click the “Notifications” tab

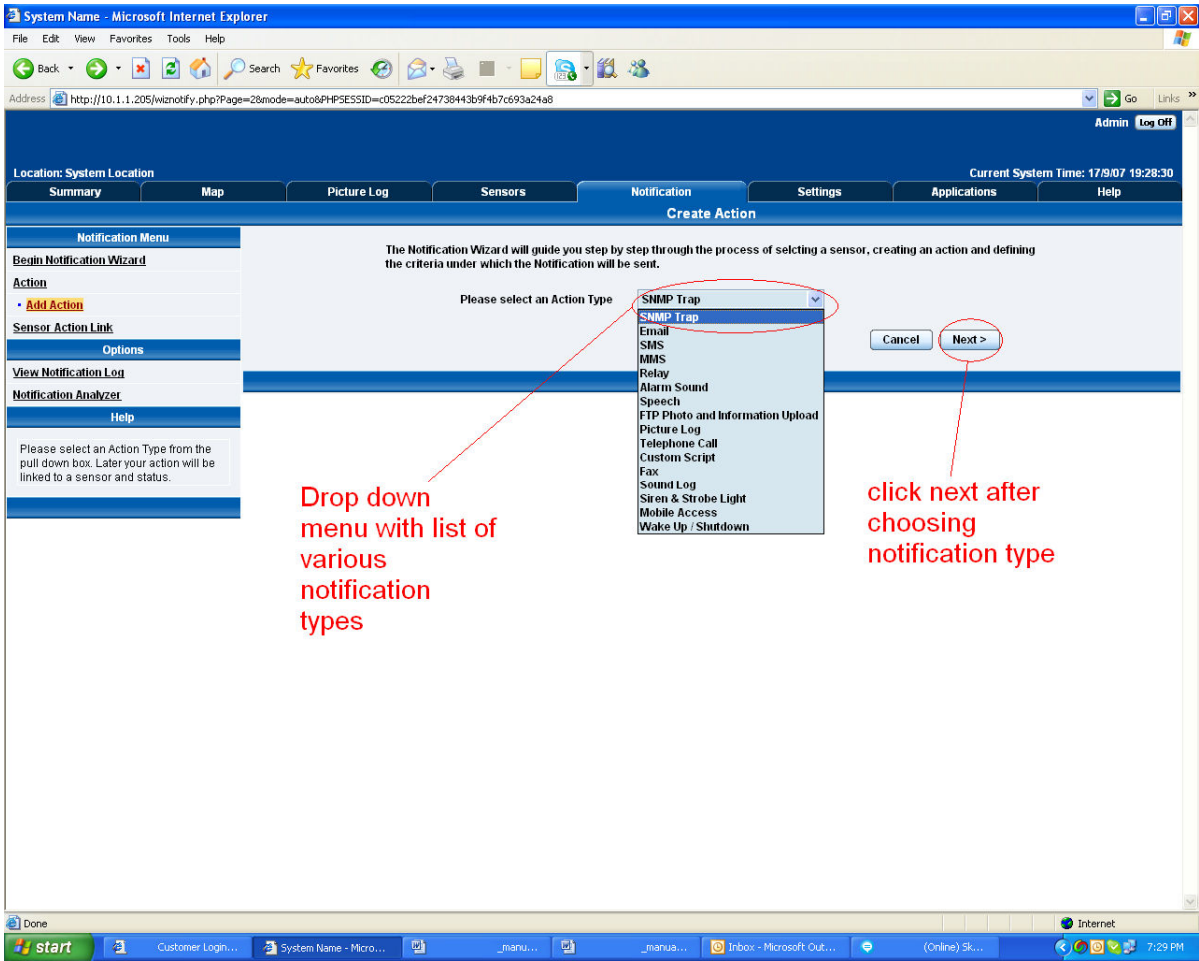

1. Adding a notification

a) First click on the “notification wizard”

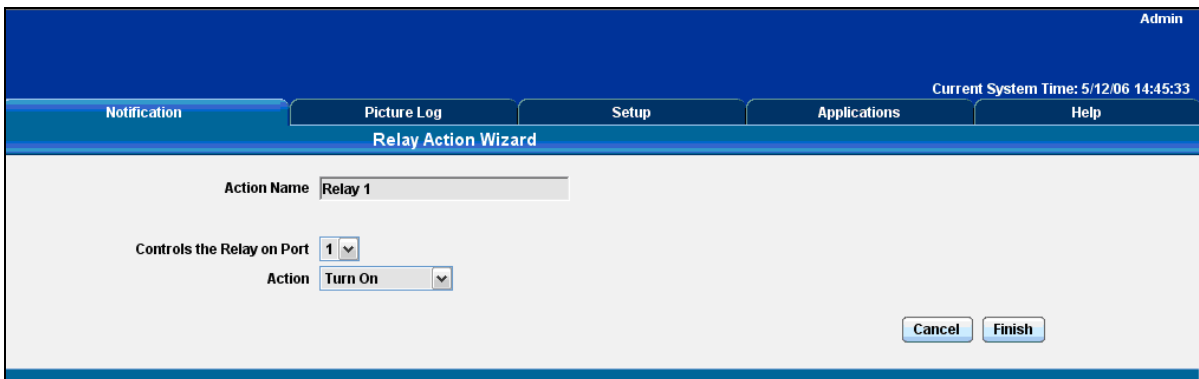

The screenshot shows the web interface of the enviromon.net system. The browser window is titled "System Name - Microsoft Internet Explorer" and the address bar shows "http://10.1.1.205/wiznotify.php". The main navigation bar includes tabs for "Summary", "Map", "Picture Log", "Sensors", "Notification", "Settings", "Applications", and "Help". The "Notification" tab is selected and highlighted with a red circle and a callout box that says "Click notification tab". Below the navigation bar, there is a "Notification Menu" on the left with a "Begin Notification Wizard" link circled in red and a callout box that says "Click here to begin setting up a notification". The main content area displays a table of actions with columns for "Action Type" and "Action Name". The table lists various actions such as "SNMP Trap 1" through "SNMP Trap 6", "Email 1" through "Email 3", "Alarm Sound 1" and "2", "Speech 1" through "Speech 3", and "Picture Log 1". Below the table are buttons for "Create", "Duplicate", "Edit", "Remove", and "Test Action".

Action Type	Action Name
SNMP Trap	SNMP Trap 1
SNMP Trap	SNMP Trap 2
SNMP Trap	SNMP Trap 3
SNMP Trap	SNMP Trap 4
SNMP Trap	SNMP Trap 5
SNMP Trap	SNMP Trap 6
Email	Email 1
Email	Email 2
Email	Email 3
Alarm Sound	Alarm Sound 1
Alarm Sound	Alarm Sound 2
Speech	Speech 1
Speech	Speech 2
Speech	Speech 3
Picture Log	Picture Log 1

b) You will now have the notification wizard page displayed, like below.

c) Select picture log from the notification type options.

Please choose a name for your Relay Action. Descriptive Action names increase the simplicity of the system.

Select the port your relay is connected to and whether the Action should turn the relay on or off.

Click **Finish** to Save your Action
